

Extra Police Car Slots

How to install ?

First of all press the "... " button and select ScriptHookV.dll in your GTA 5 Folder.

You can press "Check" now.

- In case it's green, means its all good.

- In case it's red, means a new version has been found. Now the "Check" button will renamed to "DOWNLOAD NEW VERSION". If you click it, the newest version will be downloaded through your default webbrowser.
